LOST PET

Tula from New Paltz

Contact: 845 464 8497

Location: 137 Hasbrouck Road

Date : April 16, 2016

Tula has been missing for 6 months today. I haven't given up hope that we will find her, or she will find her way home. She is a medium-haired tabby with some variation in color but no white markings. She was wearing a tick collar when lost. Please text or call with any information.
