LOST PETS of the HUDSON VALLEY

# FOUND PET

## Found in Yorktown

## Contact: allisonkoch@gmail.com

**Location: Baldwin Road**

**Date : June 12, 2016**

**Female dog with enlarged nipples, indicating a possible recent litter. She is friendly with people and dogs but does not seem to respond to commands. She weighs approximately 20 pounds and appears to have trimmed nails, a couple of facial scratches and a white spot on the back of her head. She had no tags on when found.**
