Please help us find our girl and bring her home. Malibu got out of a fenced enclosure with our other dog Stan. Last friday at noon. Stan was found on Westkill Rd in Jefferson NY. Schoharie County...5 hours later...our cabin is in the area of West Fulton, NY, near looking glass pond. We need any and all help for you. My husband will not return home with out her. She is very gentle

loving sole but has a loud bark. I am sure she is scared and probably very hungry...cookies always help.
