LOST PET

Matilda from Rhinebeck

Contact: 845-264-3872

Location: 26 White Schoolhouse Rd

Date : June 23, 2016

Last night around 8pm (6/22) our cat, Matilda got out. She is NOT an outside cat. She is a light grey tabby on the heavier side, with huge green eyes. She's very friendly but is probably very scared right now, though I think she could be coaxed with food. If anyone has seen her please let me know, we miss her very much! She is microchipped.
