LOST PET

Dottie from Elizaville

Contact: jelly150@gmail.com

Location: 123 White Oak Rd

Date : July 1, 2016

Dottie is 8 years old and very small. Many mistake her for an older kitten. She is very sleek, having shiny black fur with a white chest and paws and bright yellow eyes. She is an indoor outdoor cat and never strays very far from home, but she hasn't come back in 3 days.
