LOST PETS of the HUDSON VALLEY

LOST PET

Charlie from Monroe

Contact: 845-248-1536

Location: McGarrah Rd.

Date : July 29, 2016

Our cat “Charlie” went out the evening of 7/26 and hasn’t returned. He is a slim, black 1-yr old cat, with quite a long body and tail. He is friendly with a very soft kitten-like meow. He’s been chipped with identification information that a shelter or vet can scan.
