Contact: 914-434-4200

Location: Scott Drive

Date : July 18, 2016

Marshmellow hasn't been seen since Wednesday July 13th. She loves to be outdoors but comes home every night. She travels the neighborhood since she was abandoned for years by a neighbor behind us prior to us caring for her. She is all black with green eyes , is very very friendly, often goes to neighbors doorsteps and loves to rub against people
