LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Nanuet

Contact: 845-304-1584

Location: Etna Place

Date : August 12, 2016

FOUND: young / young-adult tabby in Nanuet (near New City border). Found on the evening of 8/9, but apparently it's been hanging around our neighbors' backyards for the past week or so. Super friendly and very affectionate to everyone. No collar. Confirmed with Animal Control that there's no microchip. Added more pics and videos on my Facebook page ("FoundCat Nanuet").
