## Jabba from Somers

## Contact: varmonium@gmail.com

**Location: Heritage Hills 321B Condo 11**

**Date : August 29, 2016**

**Jabba is small to medium sized, primarily black with white tuxedo markings. He's approximately eight years of age and though he appears quite healthy and is very friendly, he does require prescription food and medication. His primary physician is Dr. Raclyn at Yorktown Animal Hospital in Yorktown Hgts., NY 10598 (914 962 3111). A cash reward of $100.00 is offered for his**

**return.**
