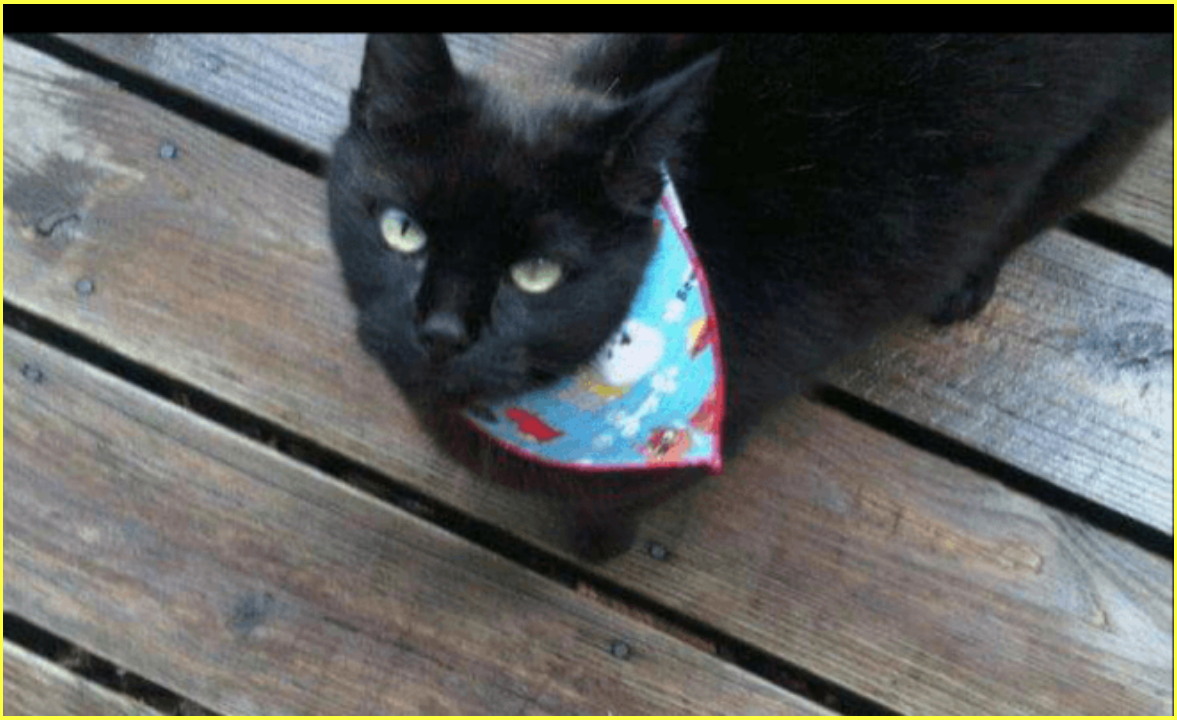
## Contact: 845-309-5722

**Location: Stuart Dr**

**Date : August 21, 2016**



**Midnight was last seen Tues 8/16/2016. He is shy but friendly. He is black with greenish yellow eyes that gave some scarring on them. He was also wearing a black collar with white scull and crossbones that has his name and my phone number on it. My daughter is devastated that he is gone. If you see him or have found him please call me at 845-309-5722.**
