LOST PET

Myla from Hudson

Contact: 518-727-5609

Location: 53 Apple Meadow Road

Date : August 18, 2016

Myla is a 10 year old female black cat, some brown color to her fur in the light and a pink nose. She is also small for her age. She has been missing since August 16th. She is not an outdoor cat, so it's very surprising for her to have snuck outside. The most recent picture I have is a from a year ago.
