LOST PETS of the HUDSON VALLEY

LOST PET

Nina "Bean" from New Rochelle

Contact: mogget620@gmail.com

Location: Island View Pl

Date : August 15, 2016

Small gray tabby with a little bit of brown and black. She has white feet and a white chest. She is spayed. Missing one of her fangs and has a cleft pallette that has been operated on. Friendly but probably frightened. She might run if you try to approach. Please contact me by email or 914 648 5448 if you have any information on her whereabouts. Thank you.
