White Smoke from Marlboro

Contact: 845-802-3208

Location: 4 Vin Rose Ln

Date : August 8, 2016

My cat, White Smoke, has been missing since Friday night 8/5/2016. She is a Ragdoll 6 year old, with orange fur throughout her and distinctive blue eyes. She was let out on accident by a family member in the home and she has not returned. She has been outside before, however we just moved to this new place two weeks ago and her time outside has been minimal. She means

absolutely everything to me and I am desperate to find her. We live at 4 Vin Rose Lane in Marlboro, NY 12542 which is where she was last seen.
