LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Poughkeepsie

Contact: startover@gmail.com

Location: 10 Sheraton Dr

Date : September 29, 2016

Looks like a white parakeet with a yellow head and light blue belly. Hard to get a clear photo of him but he's been eating at my grandma's bird feeder for about a week or so now. Worried about him as it gets colder at night.
