LOST PET

George from Woodstock

Date : September 22, 2016

I recently moved from Sullivan County/Livingston Manor to Woodstock, NY. My Maine Coon cat George came with me but decided to leave on 9/9/16. He is a very large cat, sweet and slightly timid but may come when called. There have been some possible sightings, moving west, perhaps he is traveling to his previous home which I hope not as it is 67 miles away. He is wearing a pet tag with his name on the front and my cell phone # on the back (914-799-4827). Please keep an eye out for GEORGE! Thank you.
