LOST PET

George from Woodstock

Contact: 914-799-4827

Location: 227 Woodstock-West Saugerties Rd.

Date : September 17, 2016

Maine Coon Cat, George is missing since 9/9/16. He moved to Woodstock with me in July and had been going outside, but suddenly disappeared: he is fluffy gray, black and white and he's very large. He is wearing a pet tag with his name on the front and my cell number on the back. There were two possible sightings of him on Plochman Rd and on Woodstock-West Saugerties Rd, not

far from his home. So very worried about him, please call if you spot him.
