LOST PET

Missing from Kingston

Contact: (845) 481-5240

Location: Route 32

Date : September 22, 2016

My cat has escaped my house and has not been home since Friday (August) . I live on Route 32 so I hope she was picked up off the rail trail behind my house. She is gray striped with white eyeliner. She has 3 extra toes on front and 1 on her back feet. Please let me know if you see her or have her. My kids miss her bad.
