Hello! My cat is missing, I last saw him Saturday morning (End of August 2016) . I live and work at the NY Renaissance Festival and that is where he was last seen. He is 1.5 years old, about 7-8 lbs. Completely white, short hair, yellow eyes, pink noses and paws. Was wearing a rainbow harness but might not be wearing it anymore. Friendly, but a little hard to catch if he doesn't

know you. If you have seen him please let me know! He is also microchipped.
Thank you.
