Contact: 845-417-7469

Location: 41 Creekside Road

Date : October 7, 2016

Ezzy never leaves the yard, went missing on Wed., she is a small Jack Russell, very old, and she had an invisible fence that she never went past. Not sure if there was a problem with her collar, but she has never left the property before. She is much older than the picture available, but she is a small Jack Russell, brown and white with gray mixed in now, she was wearing the invisible fence collar, it is very big so hard to miss.
