She was found abandoned and tied up. No name tag but was wearing a purple collar with a rabies vaccine tag. The gas station employees said some drunk girl left her a few hours beforehand. My friend and I decided to take her home because it was 40 something degrees outside and the store was closing and I didn't want animal control to take her so I took her home. I can't keep her so if

no one gets back to me I will have no choice but to bring her to the SPCA.
