LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Newburgh

Contact: pshw14@gmail.com

Location: Route 300

Date : October 16, 2016

Found a cute and friendly yellow parakeet in the Leptondale section of the Town of Newburgh on Friday 10/14/16. Bird was captured and brought to a local vet, where she is safe and being cared for.
Contact me if you think this might be your missing pet. She appears to be hand-raised.
