LOST PET

Symba from Millwood

Contact: (203) 981-7513

Location: Gregory Ln

Date : October 24, 2016

Hi,

My Cat Symba has been missing since mid-October and was last seen in Millwood NY. Symba is a 14 year old spayed female domestic short-hair "Tortie" with black and tan coloring, white underside and white-tipped paws.

She has sparse fur on her nose and a bald spot on her right cheek under her eye. She's very loving and affectionate and requires daily medication and prescription hypoallergenic food. I'm not on Facebook but was wondering if you could post the attached flyer for me? Can you please give a call at: (203) 981-7513 or email at: teejayle@hotmail.com to confirm receipt of this message.

Thanks,

Tracy
