Location: 2216 Lucas Turnpike

Date : November 19, 2016

Brewski. His full name is Teddy Brewski. He is an indoor cat missing since November 16, 2016. He has no collar, but does have a chip. He has been the only constant thing in my life for the last 12 years, and i will gladly pay a reward for his safe return. He is a sweet cat, but shy. I hope you will find him.
