

# **FOUND PET**

**Found in Walden**

**Contact: 845-674-3046**

**Location: 2 Rose Estates**

**Date : July 12, 2017**

**I just found him this morning, 7/12, sitting on my porch. I went outside and he ran right up to me and jumped on my lap. He can't be more than 6 months old. He's super friendly and isn't that dirty. So he must not have been outside for long. He's not microchipped or neutered.**
