LOST PETS of the HUDSON VALLEY

LOST PET

Buttons from Fishkill

Contact: 845-612-6182

Location: 26 W Merritt Blvd

Date : November 3, 2016

Have you seen my cat Buttons? He lives in Fishkill in the Walmart area. He was last seen near the creek on the other side from Walmart. He belongs on the Walmart side. We think he crossed over when the water was low and then the rain came and made it difficult to get back. He's been gone for about a week now. It's normal for him to disappear for several days and then come

back.
