Tigger from Patterson

Contact: 845-283-8090

Location: 23 Ravina Rd

Date : February 24, 2017

Tigger went missing for 8 days in December and had since wanted to go outside. The dogs were let out around 9 last night. He's timid and would most likely be hiding in someone's property. We live between Ravina Rd and Lake Shore on Putnam Lake. Please check your property. He's neutered, chipped and wearing a blue collar with his name. Please call with any information. We need your help to bring him home quickly.
