I just found this small white dog running up 44/55 in Gardiner about a quarter mile down the road from the Brauhaus. She has light brown patches in her fur, and I believe she's a Cavalier King Charles. Can't say how old she is but definitely a puppy. I've got her in my apartment cordoned off from my cat and would love to find her owner! If she's yours, call my cell at 845-863-7672. I'm

also contacting the Gardiner Animal Control Officer shortly, so she may wind up there soon.
