LOST PETS of the HUDSON VALLEY

LOST PET

Maci from Otisville

Contact: Dand635@hotmail.com

Location: 28 Walker St

Date : March 1, 2017

The Beagle found in Waywayanda looks like my beagle, Maci, who has been missing from Mount Hope for months. She is very shy and timid. My kids would be ecstatic if it's her. We thought she was gone for good. I can't find better pictures right now, but I have some. She is a petite, very shy and timid beagle.
