LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Poughkeepsie

Contact: flow.pilates@verizon.net

Location: Forbus St.

Date : March 9, 2017

Found near Poughkeepsie High School 3/4/17, very affectionate, rolley-polley cat. Seems lost and looking for his owner. I think it is a neutered male. I hope he wasn't dumped. If this is your cat or if you would like to foster while we search for his owner please let us know. PLEASE NOTE: HAVE TO GET HIM OFF THE STREETS!
