LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Pearl River

Contact: Boop450@aol.com

Location: 151 Standish Dr

Date : March 25, 2017

This cat has been hanging around my property since December. I have been trying to trap him since then, but since he didn't show up regularly, it was very difficult. I finally trapped him today (March 25). He was found in Pearl River. If he looks familiar, please contact me. (914-391-3595)
