LOST PET

Luna from Phoenicia

Contact: terryspies10@gmail.com

Location: 67 School Lane

Date : May 15, 2017

Our female cat Luna has been missing since Friday 5/12/17 from the School Lane area of Phoenicia, NY. She is a 7-year-old petite female orange and black tabby with white bib and mittens, very friendly, no collar but is micro-chipped, and has been reported missing via the micro-chip service. Reward for safe return. We are heartbroken, please share.
