Princess from Fishkill

Contact: 845-401-3158

Location: Cooper Rd

Date : April 24, 2017

Princess aka Prin/Prinny has been missing for a week now. She ran from her new location, Cooper Rd. Fishkill, NY, after a move. She is w/o her collar. If she is attempting to backtrack, she would be heading North toward Wappingers Falls NY, East side of Rte. 9.
Princess is a light brown tabby with a light tan belly and black striped

markings. Her left ear is missing its tip from spay clinic. She is amazingly lovable and will stand up on her back paws when you tell her “Uppy” and as you pick her up she will wrap her paws around your neck and hug you! I have never felt such a connection with any cat ?
