I miss my beautiful, male, Chocolate Siamese shorthair Cat! His name is Azul and is 4-years old. He has a blue collar with a name tag. My phone# is on it. Missing since June 5th. I believe he is still alive and has been in captivity against his will. He has a wonderful home and has had a wonderful life here at my house . He's my buddy and I LOVE him so much! With any information

helping me find my cat you will gratefully be rewarded. The person who is keeping him safe will be rewarded.
