LOST PET

Linus from Poughkeepsie

Contact: 845-249-0841

Location: 996 Dutchess Tpke

Date : June 15, 2017

My cat Linus ripped out a window screen and escaped from my house on Wednesday morning around 3:00 am. I saw him two houses down in the neighbors yard but he tried to run when I went closer. There was also a dog in the yard and he was fighting with another cat. He lives at 1000 Dutchess Tpke in Poughkeepsie and was last seen on the corner of MacDonnell Heights.

Please call or text if you see him so I can try to trap him and bring him home.
He is friendly but very scared.
