LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Washingtonville

Contact: Lscibetta@aol.com

Location: 22 Jaques Drive

Date : July 8, 2017

These two cats have been coming up on our deck for 2 days. (this picture is one cat the other is identical) They don't have collars but seem domestic in the way they approach. They seem to be staying in the woods by our house.
