LOST PET

Molly from Poughkeepsie

Contact: 845-313-7074

Location: Innis Ave.

Date : July 10, 2017

My cat was last seen this morning at around 7am...She is not an outdoor cat so I am very worried that she is lost and scared. She has a chip so I'm hopeful that she will be found but if anyone sees her please get in touch with me. She's my children's pet and she is missed terribly!
