Found in Millbrook

Contact: 845-605-1395 or 646-306-8495

Location: Bangall Road and Rte 44

Date : August 30, 2017

A puppy (looks like a Malamute mix), male, gray and black, very friendly came to our house this morning. He had no collar or tags but looks clean and well-nourished. Our male dog is not tolerating him, so we will have to take him to a shelter. Call if he is yours and we will let you know where he is.
