Catzanova from Newburgh

Contact: 845-527-5100

Location: 215 Brookhollow Lane

Date : September 3, 2017

The family cat's name is Catzanova and he is about 2 years old, black fur with white down his center and on the chest. He is declawed (front only) and i think he is chipped (it's been a while, sorry). He has been missing since 9/1/17. He is an indoor/outdoor cat and has never been gone for more than 2 days, so we are quite worried.
