LOST PETS of the HUDSON VALLEY

LOST PET

Meow from Poughkeepsie

Contact: alyssa.raugalis@gmail.com

Location: 45 Lagrange Ave

Date : September 13, 2017

Black and white Tuxedo kitten, about 9 weeks old, got out around 1am last night. She has a damaged left eye and is on antibiotic drops for it. We live near Vassar college in Poughkeepsie. She is not microchiped yet. She is without a collar. My daughter is very sad.
