LOST PETS of the HUDSON VALLEY

LOST PET

MK (Maow) from Kingston

Contact: kndube@yahoo.com

Location: 49 Ravine Street

Date : September 12, 2017

All white cat, skittish around strangers, does not like to be picked up and is LOUD! No collar, no chip. Spayed. Very affectionate but independent. She will be tough to wrangle, we would just appreciate knowing where she is. Very responsive to the prospect of dry food.
