LOST PET

Muffin from Red Hook

Contact: Amysue2256@gmail.com

Location: 37 Oakland Hills Drive

Date : September 1, 2017

My cat Muffin has been missing since last night. She is an outdoor/indoor cat, but has spent many nights outdoors, so that is not unusual. But she is usually around first thing in the morning, coming and going to eat throughout the day. We live in Milan just off Route 199 near Freedom Propane.
