A Domestic Shorthair MALE Cat was found in Macy Park in Ardsley on Friday, October 6, 2017 around 4pm. He is NOT microchipped. Mostly white with some black and brown patches on his back and head and a small patch of white in the middle of his tail. He has green eyes. He is extremely friendly and enjoys the company of people. Because of where he was found, rescuer gave

him the temporary name of “Parker”.
