LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Wappingers Falls

Contact: Macw68@aol.com

Location: Pye Lane

Date : October 3, 2017

This cat appeared on my deck last night, on Pye Lane in Wappingers Falls. He/she has a wound under its chin which is dried blood. Not sure if it was attacked. I called my vet and they said to minimize contact with the cat, but I am going to try to get it into my garage.
