LOST PETS of the HUDSON VALLEY

FOUND PET

Found in New Windsor

Contact: Dean.colotti@gmail.com

Location: 18 Lillian Place

Date : October 2, 2017

Almost hit a cat running along 94 in New Windsor near DeRienzo Rossi Accountants. Circled back around to see if we could find him/her. After an hour of trying to get it out of a tree he/she finally came down. It is currently at our house. Young cat. Grey with white stripes. Approximately 6 months give or take. Extremely friendly and hungry. Will give it some time tomorrow to see if

anyone comes forward for it.
