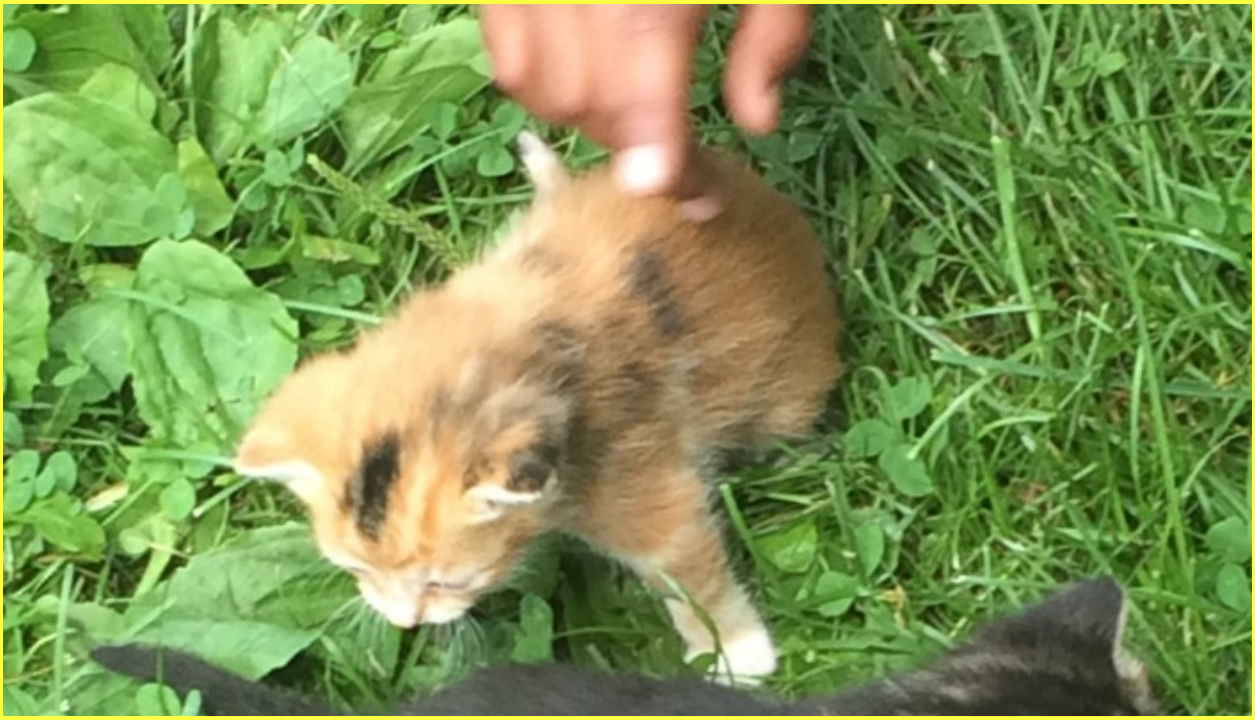
LOST PET

Mini from Hillsdale

Contact: 518-965-8615

Location: 292 Pumpkin Hollow Rd

Date : October 7, 2017



I live at 292 Pumpkin Hollow Road. We have been looking for her. I have been calling the animal shelter and today someone suggested I look at this site. Her name is Mini because she was the runt, her and her brother went missing and we were able to find him up the road from us but not her. My granddaughter was hoping nothing happened to her.
