As I was walking my French Bulldog last night around 8pm, a very friendly male Pomeranian greeted us. He is no more than 2 years old, not neutered, very well behaved, trained. We were on Thompson Street in Catskill (off of Main Street). I have the dog at my house and will keep until owner is found. Called CGHS left detailed message and reported to the local police station in Catskill as well. I PRAY someone is out looking for this amazing, handsome,

SWEET little boy!!!!!!!!!!
