Barrett in Pearl River, NY, is still missing after a house fire. Please help us bring Barrett home to his family who has already lost so much. He is a 140-pound American Bull Mastiff. He is very, very shy. The animal rescue we are working with says they can't stress enough that we do not want anyone calling out to him, chasing him, or approaching him. Please contact us

(845-596-6271) or your local police department immediately!
