LOST PETS of the HUDSON VALLEY

LOST PET

Lucy from West Hurley

Contact: melcovey@icloud.com

Location: Clover St

Date : November 26, 2017

Last night, I lost my cat. He was here and my boyfriend ran outside and I guess Lucy followed. I have searched my whole place and I can not find him. He is prone to seizures when he gets stressed or panics. I have looked for him all night and all day today. He is all black ,11-months old. Help me please find my baby.
