LOST PET

Riley from Bloomingburg

Contact: kitzykat96@aol.com

Location: Route 17K

Date : November 25, 2017

In the early hours of 11/24/2017, my cat Riley got outside, and has yet to return. She's strictly an indoor cat. She is mostly solid gray, with a half of her upper lip, colored white (it almost looks like half a moustache.) Riley's belly is white, and her paws are white as well. She is not currently wearing her collar.
