Skittles from Pound Ridge

Lost my Feral Cat, Skittles, on November 18, 2017 on Cross Pond Road, Pound Ridge, NY. I attempted to trap him but have not been able to get a sighting. He was living in the basement but in my last home, he lived outdoors and used the garage for shelter. I've had him for 6 years but he is truly feral. The photo is not him, but he looks very similar. He could have gone through

the woods to Ridgefield Ave, Fay Lane, Highview in Lewisboro & Pound Ridge. Any sightings would be appreciated!
